

A diagram consisting of a large outer oval and a smaller inner oval. The inner oval is centered within the outer oval. A horizontal line segment connects the left edge of the inner oval to the left edge of the outer oval, and another horizontal line segment connects the right edge of the inner oval to the right edge of the outer oval. The text '代 码' is positioned at the top of the outer oval, and '数 据' is at the bottom. The text '虚拟CPU' is centered within the inner oval.

代 码

虚拟CPU

数 据
